Dear Parent/Carer(s)

Exciting News about Reading in EYFS

This week our EYFS children are bringing home brand new reading books. We have bought lots of new books to help our children on their Phonic's journey. To begin, your child will receive a 'wordless' book and these are essential to help them discuss pictures and learn how to physically use a book correctly. Please look inside the front cover for discussion points and ideas.

Each week your child will keep the same book for the week. We would like them to practise reading it over and over again so that they become fluent in discussions and reading. Please sign their diary each time they read and we encourage 3 reads per book. Adults in school will also be reading with

Please look after our new books and return them to school. Each book is part of a set and we use the books in school when we are doing group reading. If you misplace a book or one becomes damaged then please let us know as soon as possible.

Each week, your child also will bring a 'reading for pleasure' book home. These are books which they can share with you at home. We hope that these books will help foster your child's love of reading. When you read this book or any other book with your child, then please record this in their reading diaries too.

If you have any questions then please speak to your child's class teacher.

Thank you for your support

Mrs S. Boddy
Assistant Head EYFS/KS1
