Dear Parent/Carer(s)

Swimming Lessons – PE Curriculum

We are pleased to confirm that following the latest government guidance we can continue with the swimming lessons in Y3 and Y4. Swimming pools are only able to stay open for schools where it is part of their normal curriculum.

Alpamare will only be opening for our school and we are thankful for their support to maintain this important part of the children's PE curriculum. Please send your child with their swimming kits and nothing will change.

The children are making excellent progress in their small groups but many are now going under water! If you could manage to get hold of goggles for your child it would be a real benefit. I know this may be difficult at the moment.

If you want to send your child with a drink and biscuit then please do so.

The last session should be the 9th or 16th of December. I am going to confirm this nearer the time. I am organising for school certificates to be given at the end of term for achievements of 5 meters, 10 meters etc.

Kind regards

Miss Gill
