Mathematics

We will continue looking at the number 6 and ways of representing and making this number. We will also be learning about ordinal numbers, first, second and third.

Outdoors we will be practising counting on using a chalk number line or a hop scotch.

We will also be naming and describing 3-D shapes in the construction area.

Other Areas of Learning

In the construction area we will be making a house for The Three Little Pigs.

In our creative area we will be making pig puppets and masks. We will be finding out about different types of materials in our enquiry area.

In our art area we will be printing Number block 6 and painting characters from the story.

Special Notices

Please log in to your child's EEXAT as all your child's work from last half term was uploaded just before the holidays.

Welcome back after Christmas.
