Dear Parents and Carers,

Your children are a delight! School is just so calm and purposeful. The quality of learning is exceptional across school as the children are so focused and responding well to our routines. As a staff team we work so hard and we really enjoy what we do. Thank you so much for supporting us along the way.

### Face Masks

As the situation is unfolding and information is being shared by the government, we continue to alter our procedures in response. To increase our safety, please could you wear a face mask / covering when coming onto the school yards or into the building. You are very good at socially distancing from others now and we feel that this measure will make pick up and drop off even safer.

### Home Learning

We are not sure what the future holds but want to make sure we are prepared for everything. Please let us know on the slip below how you would like home learning to look for your child should they need to stay at home due to a Bubble closure.

We will keep going, together. If there is anything we can help with, please do talk to us.

Best wishes

**Mr Garry Johnson**
