

Food Bank Collection at Gladstone Road Primary School 2020

Monday 19th October 2020 – Tuesday 20th October 2020

It's that time of the year again, the leaves are turning red, the nights are getting darker and the weather is growing colder. This can only mean one thing...AUTUMN!

During the season of Autumn, Christians celebrate the Harvest Festival, this year it was celebrated on October 4th 2020. Harvest Festival is a celebration of the food grown on the land; it reminds Christians of all the good things God gives them. This makes them want to share with others who are not so fortunate.

This year, more than ever, taking inspiration from the Harvest Festival seems like the perfect thing to do to help our community and those who are less fortunate than ourselves.

Every year, you, the Gladstone Road Primary School Community show your extreme generosity and kindness. Your donations have a huge positive impact on those in need and with the help of **Morrisons**, helping us to stay covid-safe, we are once again able to demonstrate this.

On **Monday 19th October**, Morrisons will be providing our school with multiple boxes into which teachers will put all of your donations. Morrisons will then collect these on **Tuesday 20th October** and they have then kindly offered to quarantine your collections for 72 hours before delivering them to **The Rainbow Centre**.

Please could you help show your support in whichever way you can, however small, by sending non-perishable foods (in date): tinned; packet or canned to school with your child/children on Monday.

Your help and support are always so highly appreciated!

Thank you so very much in advance.
