Dear Parents and Carers,

### COVID-19 – School Update for Parents – Letter 3

Just a quick note to confirm the school's current situation.

Since my letter on Friday detailing the plan moving forward, we have had several enquiries from parents of Y6, Y1 and EYFS children asking if they can attend school on Monday 1<sup>st</sup> June.

I just want to reinforce the message that **Gladstone Road Primary School is still closed**. For now, we are only continuing to provide 'child care' provision for children whose parents are Key Workers and both in work (there is no adult in the household who can share the child care responsibilities) or children who are known to be vulnerable.

Also, it is half-term this week so no work will be available for home learning either on Purple Mash or in the form of paper learning packs. As you will appreciate, the staff have been working at full speed since the lockdown began and are having a rest this week to recharge ready for the new half-term starting on Monday, when home-learning will continue.

I will write to you again soon with any news regarding the school's position in terms of a possible opening.

Have a good half-term week.

Best wishes

**Mr Garry Johnson**  
Head Teacher
