17<sup>th</sup> June 2020

Dear Parents and Carers,

## **New Classes 2020-2021**

It gives me great pleasure to share with you how our teachers have been deployed moving forwards.

Following on from this time of uncertainty, we felt it was important to introduce you to your child's new class teacher, so that we can begin to prepare for the future. Over the next few weeks, teachers will contact their new children to get to know them and to support them.

On page 2 of this letter, you will see your child's current class, the name of their new class and the name of the new class teacher.

Look out for a letter in the post for your child from their new class teacher! You will also find a year Group Newsletter, which will include information about the staff team, the exciting curriculum that is planned and practical information that will support you in preparation for next academic year. We have some exciting trips, visits and residentials planned to complement our brand-new curriculum. We are creating a brand-new library in school and have invested in new classroom computer screens. Also, we have plans to develop our outdoor spaces to accommodate a new quiet zone and better P.E. facilities. Although we have been closed, it has not stopped us from developing our school in line with our December 2019 Ofsted report recommendations and in preparation for welcoming you back after this period of school closure. Hopefully the Government will advise us on how that will be done, before we break up for the summer on 17<sup>th</sup> July. **Please note that school will be completely closed from Monday 20<sup>th</sup> July, until September, including child-care for Key Worker children and the Home-Learning offer. As you will appreciate, we have been working non-stop since lockdown began in March. We are in desperate need of a break to recharge, so that we are ready for the new academic year and we will be raring to go!**

In other news... our staffing structure has undergone many changes and we now have a brand-new Inclusion Team, who will be in touch soon to share the support they will be offering you and your child.

All of our teachers and support staff have been completing specific training for their new roles, so that they are fully prepared for us to hit the ground running when we open.

We are very excited for the future and we will be all ready for you.

Yours faithfully,

**Mr Garry Johnson**  
Head Teacher

Current class	2020-2021 New Class Name & New Teacher		
Parents of our new EYFS children will be receiving more information over the next few weeks including which class and unit their child will be joining.		RY	Mrs Stuart
