

# This week in Reception

Date W/C 15.3.2021

## Literacy

This week we will be reading a story called Sharing a Shell by Julia Donaldson. We will be finding out about different sea creatures and about sharing and caring for our environment.

We will also continue our phonics lessons. We will be revising digraphs we have learnt so far and practising writing words and sentences.

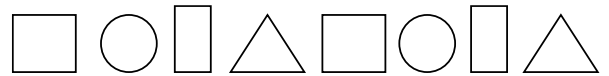

1 2 3 4 5 6 7 8 9 10

## Mathematics

We will continue to learn about 2 and 3-D shape and time, finding out what time we come to school, have our dinner and go home.

Outdoors we will be practising counting on using a chalk number line or a hop scotch and finding 3-D shapes in our outdoor area.

## Other Areas of Learning

In the construction area we will be making an underwater scene.  
In our creative area we will be making snails and other sea creatures from paper plates and cups,

We will be using our new animal atlas in our enquiry area. Children will be encouraged to research sea creatures during ICT.

In our art area we will be painting underwater pictures and sea creatures.

## Special Notices

It was so lovely to welcome all the children back last week. They were all so excited to see their friends.

Please log in to your child's EEXAT and upload some work that they have done at home.

Please remember that your child needs a change of clothes in school.
