Dear Parents

Summer Term Parents Evening Appointments

We have arranged the Summer Term Parents Evenings as follows: -

Monday 21st June	3.30pm - 6.30pm (All classes)
Tuesday 22nd June	3.30pm - 6.30pm (Reception Yellow ONLY)
Wednesday 23rd June	3.30pm - 6.30pm (All classes except Rec. Yellow)

As for the Autumn Term, all appointments **MUST** be made on the My Child At School system / app. Please do not ask teachers about appointments directly.

Appointments go live on Monday 14th June at 08:00am. The evenings will not be listed on the system / app until this time.

Appointments will be by telephone so please ensure we have the correct contact numbers. The teacher will try the telephone number for contact 1 unless you specify when booking, you want us to call a different contact.

If you have previously activated your account, please use the same username and password (reminder, the School ID is 11444). If you have not previously activated your account, please contact the school office. If you have already activated an account for an older/other sibling or if one parent in the same household has activated, you do not need to activate again (the system doesn't tell us if a family is already live – just individual children!).

The website address is www.mychildatschool.com and the app is available on iOS and Android by searching for MyChildatSchool.

Benefits of the system include:

- Convenience: parents will be able to access information on this live system 24/7
- Environmentally Friendly: it will help the school become more eco-friendly as we will be able to reduce the amount of printing/paper we use for parents evenings and school reports
- All children in the family are linked and can be accessed using one log-in.

Reminder: if you have not already done so, you will need to activate your account as soon as possible as ALL PARENTS must book parents evening appointments using MCAS. Additionally in July annual school reports will be uploaded to MCAS, not sent home on paper.

Yours sincerely

Mr G Johnson
Head teacher
