## Returning to School – Monday 8<sup>th</sup> March

4<sup>th</sup> March 2021

Dear parents & carers,

We are all extremely excited to welcome your child back into school on Monday 8<sup>th</sup> March.

### Completed Home Learning Packs

Your child will need to bring their pencil case, reading books and Maths No Problem book into school on Monday 8<sup>th</sup> March. Completed work packs and any other resources can be brought back into school from Tuesday 9<sup>th</sup> March. All books and resources can be taken straight to the classroom.

### Laptops

If your child has loaned a school laptop this will need to be returned to the school office. **These can be returned any time from 12 noon on Friday 5<sup>th</sup> March.** When returning laptops, please ensure that you maintain social distances rules in our entrance area and if needed please wait outside.

### Remote Learning – Beyond the 8<sup>th</sup> of March

### Closure of a Bubble

If we need to close a Bubble, live lessons for reading, writing and maths will continue in the same way as they do now. We will also be providing an afternoon session too. If your child needs a laptop to access these lessons then we will provide them with this. Your child will be able to take books and equipment home with them if they are in school. If they are at home then you will be able to collect what they need.

### Individual children need to isolate

If your child needs to isolate and they are well, we would like them to log into the lessons from home. The times of this will need to be different to fit into our school timetable. Your child's class teacher will be in touch to help you with this. We will also be able to provide you with a laptop and the resources your child will need with them at home.

### PE/Games afternoons

Your children will need to come to school in their PE kit on the following day.
