Dear Parents and Carers,

Rising Stars Reading Planet Online Library

Rising Stars Reading Planet (Online Library)

Reading remains a key priority at Gladstone Road and we have tried to ensure your children have all the tools to continue their reading journeys at home. A big thank you to all families for continuing to turn the pages with their children- it really does make such a huge difference!

So that families can have 'remote access' to books we have provided all pupils with login details to access the '**Rising Stars Reading Planet Libraries**'. These libraries are fantastic as they include the same books that your child is familiar with reading at school. Another benefit is that we can set each child multiple books rather than having to wait for them to be returned and quarantined.

To access the libraries you simply visit my.risingstars-uk.com and enter your child's login details. Your child should have received their username and password **in the first Home Learning Pack**. If you have misplaced this please contact the school, or your teacher at the end of a live session, and we can sort this.

The online libraries contain e-books and these have been set by your child's class teacher so that they are at the correct 'level'. Please see the Home Learning section on our website for further user guides. Your child's teacher will be showing you the libraries, and how to access the e-books, during a live lesson in the near future.

Further tips and information

- Some children have had problems logging in via a tablet or mobile device. Make sure the device is in portrait mode as this seems to help!
- If your login details present an error message please include our **Centre ID number: 393784** in the bottom login box.
- To complete quizzes it is recommended to do these on a laptop or stand-alone computer where possible. If an error appears on a tablet or mobile device when your child tries to take the quiz this means the quiz is not compatible with the device. Please do not worry as your child can continue to complete their book!
- Click on the 'finished' button once a text is completed, even if your child has not managed to complete the quizzes. This tells teachers that the book has been read and therefore removes it from your child's library.
- All teachers have set books for the children in their class. If you struggle to find these, check in the other library even if it says KS1! Rising Stars have simply split the book colours across the two libraries so please do not worry if your child is in Key Stage 2 but their book is in the Key Stage 1 section.

We are so excited for the children to embark on their new reading adventures. It is always a pleasure to see our learners in action so please do send pictures of their fabulous reading at home!

Yours sincerely

Mr Garry Johnson
Head teacher
