We very much appreciate that if you have more than one child, these times may not always follow easily. However, we are unable to make allowances and admit children into school at any other time other than the allocated slot due to the need to avoid large gatherings and congestion around the school premises. This has worked extremely well during the lockdown period and we thank you in advance for your continued support with this.

Mr Johnson's letter contained lots of details related to the interim procedures for September. In addition, we will be sharing class videos next week on our school website and Facebook page which will show both you and your child where each year group will enter and exit school and the one-way system to follow to their classroom once inside the school premises. We hope this visual prompt will help to reassure all the children as they have not had the opportunity to spend time in their new classrooms this term. There will also be lots of staff available to support at the start and

end of each day, particularly in the first week when we will all be getting used to the new procedures.

As Mr Johnson said, we are all so excited to be able to welcome the children back in September. We can't wait to see them!! I hope you all have a wonderful Summer break.

Yours sincerely,

A handwritten signature in blue ink that reads "H. Halliday".
