Year 1 TT Rock Stars

Dear Parents and Carers,

Times Table Rock Stars is a fun and challenging programme designed to help students master the times tables! Currently, children from Y2 to Y6 use it to help them learn their times tables. We have now created passwords for all our Y1 children so that they can also login and enjoy learning their times tables too.

We have attached an information sheet explaining how to use the website which is completely free to use. You do not need to sign up to use the resource but your child will need their unique username and password, these will arrive by text message shortly.

The link to the website is below or just type in TTRock Stars into your search engine.

<https://play.ttrockstars.com>

When your child logs in for the first time they will need to do the placement quiz. This assesses which facts your child knows and it then sets them new facts to learn. Please don't be tempted to help them with this first quiz as the website will then set questions in the future, which they haven't yet learned.

To begin with your child will probably find playing in **GARAGE** mode the easiest. You may wish to help them if they decide to use the **STUDIO** mode as it includes facts from 1x1 to 12x12.

We hope you enjoy using TTRock Stars and if you have any queries, please contact school and we can endeavour to help you.

Many thanks and HAPPY ROCKING!

Mrs S. Boddy
