Dear Parents and Carers,

**Welcome Back** ☺ ☀ 🦋

Well we've had a brilliant start to the Summer Term and it is so nice to have the children back. The focus, buzz and learning all around school is wonderful. In fact, our attendance figure this week is 96%, which is exceptional.

Here are some updates:

## Assessment

We are in the process of assessing the children so that we can tailor our teaching to support any gaps in knowledge/skills. We will be able to report this information to you in the form of 'telephone' parents' evenings this term. If in the meantime, you do have any questions please, do speak to one of the team.

## School Lunches

We are in the process of reviewing our current lunch offer, including seeking the views of the children. I will share the findings and the follow up improvements with you as soon as possible.

## Welfare Checks

Recent guidance has been introduced to Primary schools, which we have adopted to improve our Welfare Checks. In summary, if your child is absent from school without any contact from home, we may carry out a home visit to check that everything is ok, to speak to your child and to see if we can help in anyway with anything. Our Inclusion Team are keen to offer help as early as possible and to support you as a family.

Thank you so much for your support and also for your feedback, it really does help us. If you do have any worries, concerns or questions, please do contact us so that we can help.

Best wishes

Mr Garry Johnson
