

25th November 2019

Dear Parents / Carers,

Y4 Christmas Performance

Unfortunately, due to staff absence which is expected to extend into December, we have made the very difficult decision to postpone the Year 4 Christmas Performance which was scheduled for Thursday 12th December. Three of the four Year 4 classteachers are not in school at the moment and as such it is not possible to prepare, rehearse and perform the play at this time.

We appreciate this will be disappointing for you and your child, however we all agree it is important to make the Y4 performance the very best it can be. Year 4 will therefore be involved in performing a different production in the Summer Term to end the school year which all parents will be able to attend and celebrate.

We thank you for your understanding.

Yours sincerely,

Helen Halliday
Acting Headteacher
