Mini Mash: EYFS Learning Challenges

Week 2 List of Activities

Challenge	Completed	Comments (if necessary!)
Go to the 'reading and writing' section by clicking on the book. Select '2 Create a Story', then 'Simple Story'. In this activity, children will design a story of their own by using the paint tools. Click on the caption box at the bottom and then children can type in words, labels or pictures. Press the green arrow to add another slide. Can you create your own story? Can you draw and label a story we have shared in class i.e. The Gruffalo?		
Go to the 'Numbers and Counting' section by clicking on the blocks. Use the arrow to move across and select 'measuring'. In here there are activities related to size and length. Can you complete one of the sections each day?		
Click on the Simple City icon. Click on the vet picture. • Can you watch the video find out some information about vets? • Can you explore how to look after the hamster? • Can you use the other design sheet to set up the vets and it's outdoors? Which objects would go where? • Can you draw your design on a piece of paper and describe it to a grown-up? Can you label your picture?		
Click on the games table to open 'games'. In here, click on '6 piece jigsaw' where you will find a variety of jigsaws to do. Practise your fine motor and movement skills by piecing the jigsaws back together. Can you create a label for your finished jigsaw?		
Click on the book to go to the 'reading and writing' section. Press the arrow along to find Phonics Phase 3 Cloze activity. In this activity, children will fill the gaps in the words using their phonics knowledge! Can you complete any of the sections you didn't try last week?		

When confident, use Mini Mash to explore other learning opportunities. Use the space below to keep a brief diary of what you investigated and what you found out!
