

## Purple Mash- Mini Mash!

We are very fortunate to have access to a wonderful online resource called **Purple Mash**. Within this, EYFS pupils can access **Mini Mash** where they can dive into a wide range of learning activities. They have proven to be very popular in Gladstone Road and we know our children thoroughly enjoy using this platform of learning. To access the site go to: [www.purplemash.com/gr-infant](http://www.purplemash.com/gr-infant)

You will then be asked to login which you can do so using **your child's personal login details, password and parent code**. You should end up to this screen and then you click on this icon to enter.

Once inside there is a wealth of activities to do including **phonics, maths, painting projects, story projects** and even **SIMPLE CITY** where children can learn about a range of things from dinosaurs to places of work!
