## › Cycling jerseys

The leaders of cycling races are indicated by special coloured cycling tops. These are referred to as "Jerseys". One of the most famous jerseys in cycling is the Yellow Jersey (or Maillot Jaune in French) worn by the leader of the Tour de France.

In the Tour de Yorkshire there are three main jerseys awarded these are:

Leader's Jersey - **Blue**

King of the Mountains and Queen of the Mountains - **Red**

Sprint Jersey - **Green**

Most Active rider of the Day Jersey - **Grey**

In addition to these three there are also jerseys awarded to the most aggressive rider in each stage and the team who are performing the best are awarded the Team Classification jerseys.
