Pirate ships

Parts of the ship:

There were lots of different pirate ships.

This is a **sloop**.

These ships moved quickly and easily. Pirates liked these best of all, because they could catch up with the ships they wanted to steal from sneakily and get away quickly too!

This is a **square rigger**.

Square rigger ships were huge and heavy. They didn't move speedily, but they could carry up to two hundred men, twenty cannons and lots of loot. Many pirate captains liked to show off in these boats!
