If you have on-line access

1. Details of how to access these live lessons are in the pack which your child has brought home today **OR** it will have been hand delivered today.
2. The sheets in the pack follow on from each lesson so don't start these until you have had the lesson from your teacher.
3. You will get phone calls from your teacher throughout the week.
4. We have some devices which we can loan out. We don't know what the demand will be for these so please text school to include your name and the classes which your children are in. We will let you know if we can give you a spare device.
5. If you have multiple children then alternate the sessions.
6. If your child is on the SEND register and would normally have differentiated work this will be sent on to you.

If you don't have on-line access

1. Complete the paper packs as best you can following the timetable.
2. You will be getting regular phone calls home from your teacher.
