

Home Learning – Year 2

Gladstone Road Primary School

Take a minute...

Have a try at some Yoga

<https://www.youtube.com/watch?v=47Se2HWSv9k>

Maths

Live Lesson

Join your teacher online at 9:00am
Keep an eye on your email for your invite to the lesson.

See your pack for daily independent work and challenges.

Writing

Live Lesson

Join your teacher online at 10:00am
Keep an eye on your email for your invite to the lesson.

See your pack for daily independent work and challenges.

Phonics/Spelling

Live Lesson

Join your teacher online at 11:00am
Keep an eye on your email for your invite to the lesson.

See your pack for daily independent work and challenges.

Reading

Read our book aloud from beginning to end or for 15 minutes a day.

Can you answer some questions from the back of the book?

Challenge – can you complete one of the reading sheets in your home learning pack?

Wednesday 3rd February

PSHE – Create your own healthy packed lunch. Think about the different food groups.

Thursday 4th February

Science – Hygiene – look at the sheet and think about good and bad examples of hygiene.

Friday 5th February

Geography – Complete your seasons wheel. Can you name the four seasons? What is the weather like in each season?

Monday 8th February

Art – create your own collage of the Great Fire of London.

Tuesday 9th February

Computing – label the keys on a keyboard.

Extra Information:

Join one of the Y2 teachers at 2:00pm for a live story.

Home Learning – Year 2

Gladstone Road Primary School

Take a minute...

Remember to take a break between learning.
Join in with Cosmic Kids relaxing yoga.

Reading

Read our book aloud from beginning to end or for 15 minutes a day.

Can you answer some questions from the back of the book?

Challenge – can you complete one of the reading sheets in your home learning pack?

Wednesday 10th February

PSHE – Think about how we can stop germs spreading. Make a poster that can be used in school to remind everyone how to keep themselves safe from germs.

Thursday 11th February

Science – Why is exercise important? Complete the Exploring Exercise sheet by choosing five different exercises and timing yourself for one minute. Notice what happens to your body.

Friday 12th February

Geography – Read through the information about the equator. Cut and stick the animals on to the world map to show if they live in hot or cold places.

Monday 22nd February

After half term

PSHE – make a list of the different emotions you know. Complete the emotions sheets for different scenarios. You might have been in some of these situations before, how did you feel?

Tuesday 23rd February

Science – Use the Eatwell Plate to help you plan a balanced meal. Cut and stick the foods on to the correct food group. Why is it important for humans to have a balanced diet?
