29th November 2021

Dear Parents and Carers,

COVID-19 Variant Omicron

I am sure you are now aware of the new Omicron variant of COVID-19. School guidance has been updated, which means we have re-introduced the wearing of facemasks in communal areas for staff and visitors in school. All other suggested measures have remained in place e.g. hand hygiene, additional cleaning, one-way systems.

However, we are going to tighten up on a few things as follows:

- Parents/Carers will be asked to adhere to the one-way system on the Lower School yard. That is to **not enter through the Wooler Street side**, but to come through the Wykeham Street side.
- There has been an influx of **dogs being brought onto the lower school playground**. Please can I remind you that this is not allowed and staff will be vigilant to asking you not to do this.
- To try and ease congestion on Gladstone Road, from tomorrow, **class 2B** will be released from the Lower School yard at 3:10pm.

I hope this all makes sense to you and thank you for supporting us.

Yours sincerely

Mr Garry Johnson
Head teacher
