

Gladstone Road Primary School

Midday Supervisors

Are you looking for a school role to fit in around your day that could lead to further opportunities?

'Come and join our friendly, inclusive and rapidly developing school'

Here at Gladstone Road Primary school we provide a friendly and inspirational education setting for our staff and children. As a four-form primary school you join the largest primary team (in the area).

We welcomed our experienced Headteacher in January 2020 and over the last 2 years we have overhauled our curriculum, leadership structure, provision, and learning environments. Our committed, talented and cohesive staff, delightful children and strong and supportive Governors – all of us united to build a school we can all be proud of.

Our Opportunities

Would you like the opportunity to start to develop your experience working with children? Are you able to help children build relationships by organising a variety of activities to make lunchtimes fun?

Do you have problem solving skills to ensure all children have a positive lunchtime experience on our busy playground? Do you have experience of First Aid or appropriate training?

If so we could provide you with the opportunity you are seeking. We are looking to appoint friendly, approachable Midday Supervisory Assistants who have the skills to listen to children and the initiative to interact with them. The role involves supervising children in the playground and whilst eating their lunch.

The posts are working with both KS1 and KS2 children. Hours of work vary depending on whether you are in lower or upper school, but it will be either 1 hour 30 mins per day or 1 hour 35 mins over lunchtime, term time only.

The job description and application form can be downloaded from the link below. Forms should be returned to hduck@gladstone.n-yorks.sch.uk or by post. If you have any questions about the role please contact Helen Duck. The closing date is **21st January 2022**.
