

Dear Parent/Carer(s) of children in Y2

As your child will be participating in sandwich making on 25.3.2021, they will be invited to taste a variety of foods. The children will be able to select a variety of bread and fillings to put in their sandwich including salad ingredients. We have reviewed the ingredients and the allergens they contain and information is provided on the chart below. Please return this letter detailing any allergies as soon as possible if your child is allergic to any of these so we can take appropriate steps. If your child has no allergies you need take no further action.
