

PARENT GOVERNOR BALLOT – CANDIDATE 3 SUPPORTING STATEMENT

FEBRUARY 2021

NORTH YORKSHIRE COUNTY COUNCIL
ELECTION OF PARENT GOVERNORS

Statement in Support of Election

School: GLADSTONE ROAD PRIMARY SCHOOL

Name: CONOR WATERMAN Age (s) of child (ren)..... 6

Experience and/or interests relevant to serving as a Governor

I have a long history with Gladstone Road school, attending myself between 1994-2001, and having several family members come and go in the time since. I have lived in the immediate area around Gladstone Road my entire life, and although my daughter has only been at the school for 2 years it was always our first choice.

I have a degree in Education Studies, having worked in Special Education for nearly a decade in the past, which I feel helps me bring a varied outlook to this position. I feel very strongly about the progressive approaches Gladstone Road are bringing to the education of our children, and would love to be involved closer as a Parent Governor.
