Performance Data

Important Information

The DfE published the following statement September 2022:

“The government will not publish KS2 school level data for the 2021 to 2022 academic year. They have archived data from the 2018 to 2019 academic year because they recognise that the data from that year may no longer reflect current performance.”

However, for your information, please find our 2022 results below.
