

Curriculum Planning

Intent

We ensure that personal, social and health education is embedded across the whole curriculum. Whilst providing all children with a planned 'spiral' programme of learning opportunities and experiences that help them happily grow and develop as individuals, members of families and within their community. Fundamental British Values of Democracy, Rule of Law, Tolerance, Mutual Respect and Individual Liberty are explored through our approach and are also embedded across all aspects of school life. PSHE makes a significant contribution to children and young people's personal, spiritual, moral, social and cultural development. Using the 'Growing up in North Yorkshire' information we are able to design a curriculum based on meeting the specific needs of all our pupils at Gladstone Road.

We follow and adapt to meet the needs of the children at Gladstone Road School. With Relationships and Health Education becoming statutory in September 2020, the government want pupils to be able "to embrace the challenges of creating a happy and successful adult life". Children will be taught core knowledge broken down into five manageable sized units taught in a carefully sequenced way across the school each year building on their previous learning. We therefore provide a spiral programme of knowledge, skills and attribute development, where prior learning is revisited, reinforced and extended in age- and stage-appropriate contexts through engaging and inspiring stimuli.

These five themes are:

- Me and My Relationships – See our SRE policy for more information
- Keeping Myself Safe
- My Healthy Lifestyle
- Me and My Future
- Becoming an Active Citizen

Within these themes, many cross curricular links are made to meet the wider needs of the National curriculum. Our interwoven learning outcomes cover; sex education and relationships, online safety, drugs, alcohol, tobacco and wider high-risk taking behaviours, careers education and personal finance, citizenship, healthy lifestyles and emotional health and wellbeing.

Implementation

During lessons, we aim to use active teaching and learning methods to develop questioning, thinking and debate skills to empower, motivate and inspire our learners. Children at Gladstone Road use the skills and values learnt through our PSHE curriculum in real life context and distancing techniques to bring learning to life and make it relevant.

In addition to weekly PSHE lessons, we use events such as Anti-bullying Week, Children's Mental Health Week and Safer Internet Day to ensure that our pupils have a well-rounded PHSE education.

Well-being ambassadors provide support for pupils in KS2.

Impact

Pupils demonstrate that they are open, sensitive and reflective individuals who have tools to respond and manage issues in their own lives and have a deep moral understanding of the impact of their actions on others. Pupils use their questioning and debate skills across the curriculum, demonstrating respect and sensitivity to others.

Curriculum Planning

GOLDEN THREADS	EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
Autumn 1 - Me and My Relationships							
Autumn 2 - Keeping Myself Safe							
Spring 1 - My Healthy Lifestyle							
Spring 2 - Becoming an Active Citizen							
Summer 1 - Me and My Future							
Summer 2 – Contextual Safeguarding							

KS1 Medium Term Plans	Autumn Term	Spring Term	Summer Term
Prior Knowledge (Retrieval)	Autumn 1 – EYFS <ul style="list-style-type: none"> Key words to express feelings including sad, happy and angry. Key words to express feelings including worried, scared, proud, excited and loved. The role of familiar adults and how they can provide comfort, support and safety. The term family and discuss what relation their family members are to them (Mum, Dad, Grandparents etc.) The term 'individual' and that people have different interests, opinions and ideas. Some strategies to manage conflict such as sharing and compromising. 	Spring 1 – EYFS <ul style="list-style-type: none"> Know the terms 'healthy' and 'unhealthy'. Hands should be washed regularly, particularly before eating and after toileting. Vegetables and fruit help to keep us 'healthy'. The importance of brushing teeth at least twice a day. Know that some healthy food choices are good for oral health i.e. milk, water, fish, green vegetables. Know that some food choices are bad for oral health i.e. sugary foods and drinks. The term 'exercise' means the physical activity we do with our bodies. Exercise helps to keep us healthy and be able to name some familiar types of exercise i.e. running, skipping, jumping, dancing. Sleep and a sensible amount of 'screen time' is also important for a healthy lifestyle. 	Summer 1 –EYFS <ul style="list-style-type: none"> The term 'individual' and that people have different interests, opinions, achievements and ideas. To understand the terms 'goal' and 'achievement'. The term 'perseverance' means to keep trying despite finding something difficult. A basic knowledge of the role of doctors, police/PCSOs, dentists, vets and firefighters and how they help our community.
	Autumn 2 – EYFS <ul style="list-style-type: none"> The terms safe and unsafe and discuss these in context. The term 'rule' and explain why rules are important. How to 'be a safe pedestrian' in the local area i.e. walking, staying on the pavement, holding hands when crossing roads. 	Spring 2 – EYFS <ul style="list-style-type: none"> The terms 'problem' and 'solution' and how we can use these to reflect on disagreements. The term 'consequence' means 'something that happens because of an action or choice'. The term 'rule' and explain why rules are important. 	Summer 2 – EYFS <ul style="list-style-type: none"> Know the terms safe and unsafe and discuss these in familiar contexts. Know the terms 'healthy' and 'unhealthy'. Hands should be washed regularly, particularly before eating and after toileting. The importance of brushing teeth at least twice a day. Know that some healthy food choices are good for oral health i.e. milk, water, fish, green vegetables. Know that some food choices are bad for oral health i.e. sugary foods and drinks.
	Knowledge and Skills to be developed:	Knowledge and Skills to be developed:	Knowledge and Skills to be developed:
Y1	Autumn 1 - Me and My Relationships <ul style="list-style-type: none"> Different types of relationships Family and Friends should provide love and care Name people who look after me Name of main body parts (including genitalia) and the importance of privacy Being a good friend 	Spring 1 - My Healthy Lifestyle <ul style="list-style-type: none"> The importance of personal hygiene – handwashing/ dental and body What is physical and mental health? How to keep my body healthy (active, diet, hygiene, sun protection, mental wellbeing) Making informed choices to improve overall health and recognising consequences 	My and My Future <ul style="list-style-type: none"> Recognising the value of UK coins and notes Understanding that we pay for what we buy Keeping Money Safe Job roles within my family and local environment Identification of positive achievements about myself Setting myself simple goals
